Attached is the final Galley copy of my manuscript *From the Company of Shadows*. I have made the change you requested on [REDACTED]. I have also added some more unclassified wording about my life on our farm on (b)(3) NatSecAct [REDACTED]. All other pages of the manuscript remain the same as those submitted in the last review. Due to the size of the file I am sending it in two parts: [REDACTED] (b)(3) NatSecAct [REDACTED]

This will be the last Galley copy of the manuscript for review before it goes to the publisher for publication.

Thanks again for all your help,

Kevin Shipp
